Robert Vick, Democratic candidate for Texas Senate District 22, received the endorsement of the Transport Workers Union of America (TWU) today.

The endorsement letter was signed by several national officers of the union on behalf of their more than 151,000 members.

Robert was thrilled to receive the endorsement from the TWU, and commented that their backing reflects the confidence they have in his labor bona fides. He is in solidarity with TWU's stated goals of decreased income inequality, strong collective bargaining rights, and building a twenty-first century infrastructure for our country.

"I have stood with America's unions my entire life and even served in a union's leadership in years past," Robert stated. Unions are the backbone of America's working class. Union gains have, for decades, lifted all workers' boats. From weekends off to the 40-hour standard workweek, American workers can thank a union. I vow to continue the fight."

Senate District 22 includes Bosque, Ellis, Falls, Hill, Hood, Johnson, McLennan, Navarro, Somervell, and portions of Tarrant Counties. For more information, please contact 682-936-9065
